CROSSFIELD LADIES' CURLING CLUB ANNUAL BONSPIEL DRAWS 16 RINKS

CROSSFIELD—The Crossfield Curling Club members held their annual bonspiel on January 19 and 20.

There were 16 rinks participating and the ice was indeed a pleasure for all curlers as there was no effort required to throw a rock. The draw was left in the hands of Bert Lilley, and was run off in record time. The lunch counter was convoked by Mrs. Veronica Collins, who with additional help had everything under control and the visitors and all curlers were treated to excellent meals and lunches all day. Great credit is also due the men curlers who donned aprons and worked like Trojans, and to Mr. and Mrs. Dewey Casey who took charge behind the counter.

Skip Mrs. Overland and her rink from the Calgary Curling Club was successful in capturing the number one event and took home the auto rugs. Her runner-up was Skip Mrs. Moechn and rink from Charlott, who won large beach towels; Skip Mrs. Clarke and rink also from Charlott, won \$3.00 Eaton gift certificates while the Fletcher rink from Alrdrie, (in fourth place, collected Waterman fountain pens. In the second event, the MacCoy rink from Didsbury, won lovely pastel floral table cloths with Mrs. Lelsham, Carstairs, rink a close second for delightful cream and sugar sets. Hilda Clayton's Alrdrie rink picked up bath towels in third place and Margaret Clayton's Alrdrie rink took fourth which was red wool curling socks. A hard luck rink has yet to be determined and will be played off at a later date between two Crossfield rinks.

The Crossfield ladies have entered a rink in the event sponsored by Eatons which is comparable to the Brier.

Crossfield Rink Wins in Bonspiel

CROSSFIELD.—The rink skiped by Walter Lilley, with Albert Heine, Ernie McNaughton and Johnnie English were able to bring back first prize in the second event in Didsbury "aple".

From 1938 to 1948 the operating expenses of Canadian railways increased from \$296 million to \$908 million.

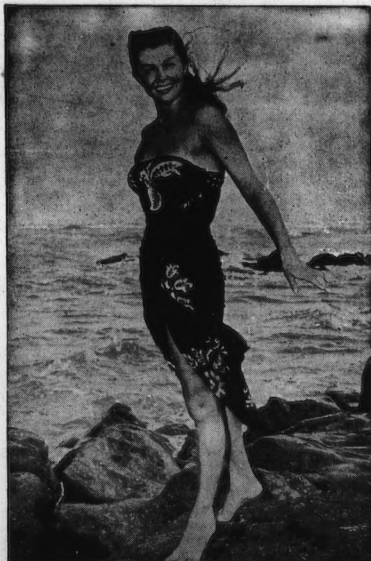

United Church Holds Annual Meeting In Crossfield

CROSSFIELD.—The Crossfield United Church held its annual meeting after regular service on Sunday last. There was a fair attendance and all reports from the WIA's and all church groups showed a very active and interested membership in all connections of the church. Mr. E. Cameron, secretary of Religious Education Council for Alberta stated that Crossfield was the best organized town in the province. Our Sunday school is so large now that room on Sunday has become a problem of which the church is proud. There is an enrollment of 115 without counting the Cradle Roll. Crossfield does not boast a population of quite 500 people, so the Sunday school attendance is wonderful. All of the Church Board stood for re-election and are doing a fine job.

It is hoped that our church may be redecorated, new lighting facilities, and the roof re-shingled. Since it has been insulated the fuel bills have been much lower. A nice lunch was served by some of the W.A. members after the meeting.

Crossfield Residents At Calgary Funeral

CROSSFIELD.—On Thursday, January 18 at 1:30 p.m. Mrs. Frank Ruddy, Mrs. Margaret Wigle, Mr. and Mrs. Bert Lilley, Mr. and Mrs. Ed Fox and Mr. and Mrs. Charles Fox, all of Crossfield, attended the funeral of Mrs. Garnet O'Neill's mother, Mrs. A. Ferngren of Calgary, who passed away at the home of her daughter Ruth in Vulcan, after a very short illness. Rev. Stobie, friend of the family and pastor of the church the deceased attended, gave a very impressive and comforting message. The service was held in Park Memorial Chapel and interment in Burnsland cemetery. A beautiful floral tribute marked the esteem in which the late Mrs. Ferngren was held.

MERMAID goes nicely native as Esther Williams wears this eye-catching sarong in the new film, "Pagan Love Song." Filmed on the Pacific island of Kauai, it has all the elements of romance and adventure.

CROSSFIELD IN TABLOID

Nurse Maile Lundson, who is in the Tofted hospital, spent the past week visiting at the home of Mr. and Mrs. A. E. Edlund, returning to work at the end of the week.

Mrs. Billy Billings returned home from hospital with Linda's little brother Kenneth William. Both are doing quite well.

The Crossfield rink skiped by Fred Becker, with Jim McCool, George Sifton and Gordon Woods were going big guns in the Didsbury men's bonspiel and were able to cop first prize in the third event.

Mrs. Chas. Fox entertained the Afternoon Bridge Club members recently with honors going to Mrs. Lilley and Mrs. H. McDonald. Last week Mrs. Jack Heaketh entertained in her home and the lucky players were Mrs. Dorie Casey and Mrs. H. McDonald. Don't forget the Old-Timers' annual meeting on the last Saturday of January in the Curling rink at 2:00 p.m.

The members of the FWUA have acquired the music of the "Mountaineers" with Mrs. Lea Lewis and Mrs. Foster for their annual calico ball to be held in the Community Memorial hall on March 15th.

The Hebeahs are going to hold another of their big card parties on St. Valentine's, Feb. 14th in the Masonic hall. Keep the date in mind.

Glennie Shants has been very ill for the past week. Birgit, daughter of Rev. and Mrs. Anderson, has been ill for the past week with an attack of influenza.

The report of the Inverlea Ladies

Curling Club giving \$50.00 to the Crippled Children's hospital should have read \$22.00. We are sorry that this figure was wrongly quoted by your local editor.

Mrs. Calhoun has just received word of the death of her son-in-law, Mr. Loyall, who has been in the University hospital, Edmonton for surgery. He apparently was progressing favorably and his death came as a great shock to his wife and her mother Mrs. Calhoun.

Kenny Kotow is still hobbling around with his foot in a cast due to an injury sustained when playing hockey some weeks ago. Leonard Bland's nose is back to normal after the same game, also Joe Timmins' facial scars are healing.

Beiseker Red Cross Plans Special Day

BEISEKER.—The executive of the local Red Cross Branch and the conveners of the various committees met at the Memorial hall on Thursday evening, Jan. 18 to report on their first endeavors in the project undertaken, and needless to say the reports given were all very promising for a most successful day on Wednesday, Jan. 31 providing the weather is good. A special fund has already been opened up at the bank for the very fine sum of money already donated to this project.

The important day will commence with a rifle shoot for hams, etc., whilst in the afternoon shows will be held, and again in the evening. During the day and evening there will be a carnival, games of chance, other entertainment and a monster auction sale in the evening. Lunch will be served throughout the day and evening.

On Wednesday, Jan. 17 approximately 80 members from this Red Cross local accepted an invitation from the Calgary Branch to visit the new Red Cross Junior Crippled Children's hospital. Mr. G. A. Shave, assistant commissioner and Mr. Long, hospital administrator met the Beiseker people at the hospital at 2, and divided the party in two groups to tour the hospital which is a magnificent building built for the servicing of crippled children from all over the province of Alberta. Work of this kind for crippled children has been carried on for over 25 years in Calgary.

All those who visited this hospital came away feeling that every effort put in the Beiseker project would be for a very worthy and worthwhile cause—the furnishing of one room of a hospital, which is to care for the happiness and health of crippled children.

Keep in mind Wednesday, Jan. 31, and meet your friends at the Memorial hall, Beiseker.

Card of Thanks

We wish to express an appreciative thanks to all our friends for kind thoughts of sympathy during our recent sad bereavement.

Mrs. Anderson, Rev. Anderson and Birgit.

PRJ26

Last year there were 1,796,000 horses on Canadian farms, a million less than in 1940.

GEORGE CORSAN the well-known 93-year-old nut grower of Islington, Ont., offers his bride a toast of coconut juice poured from a freshly opened coconut after their marriage in Miami, Fla. The bride is the former Lillian Armstrong, a 60-year-old Toronto school teacher.

WHEN TCA stewardess June Clarke left Vancouver to attend the Miami, Florida, Wings over the Nation celebration, she took a totem pole with her. The totem was a gift for Bob Hope from members of the RCAF Thunderbird squadron who were entertained by the comedian recently. Here Mayor Thompson of Vancouver and F/O Bruce Williams present Miss Clarke with the totem pole.

EDITORIAL PAGE

The Board of Trade

In some communities the Board of Trade is labelled "Chamber of Commerce". We don't like this designation, particularly in Alberta, because the really important part of any Alberta organization is the part shared by district farmers. Commerce makes us think in terms of shopkeepers only, but trade is universal. Without help of the farm group most Boards of Trade or Chambers of Commerce don't amount to much.

There should be one important annual meeting, a full-dress dinner meeting with members and their wives (and husbands), after dinner speaker and a short period of entertainment. The University of Alberta supplies interesting film subjects. This is followed by reports from various committees and election of executive.

The executive should be the working, driving force that gets things done. Big attendance or small attendance at monthly general meetings doesn't make much difference—unless there's a hard core of executive stalwarts who will carry the load and provide the initiative in every worth-while endeavor.

Activities suitable for Board of Trade work include calf and grain clubs, summer fairs and rodeos, sport days, public libraries, recreation centres, promotion of hockey and baseball teams and leagues and many other positive works.

Most Alberta Boards of Trade would be well advised to take a leaf from the book of the Killam and District Board of Trade. This group is "tops" in Board of Trade work. Groups interested in using a successful Board as a pattern should write to Edward Fee, Jr., Killam, secretary of the Killam Board of Trade.

40-hour Farm Week?

The Saskatchewan government blames Mr. Gardiner for the decline in hog production in that province. Mr. Gardiner replies that the fault lies entirely with the province's own Socialist government. But a Saskatchewan farmer tells us that he quit raising hogs because he couldn't do it working a forty-hour week.

Although this editorial is headed in such a way as to indicate we might be suggesting a 40-hour week on the farm, nothing could be more ridiculous. If the average Alberta farmer were to work only 8 hours a day, five days a week, we daresay the agriculture production would drop by one-third. This would make farm produce so scarce the price would climb by nearly 50 per cent.

The city worker would then have to work 60 hours per week to earn enough money just to be able to eat.

Hon. George Prudham advocates establishment of a 44- or 48-hour week in Canadian industry to combat inflation and assist in our defence effort. Only by doing more work can we maintain our standard of living in the face of higher taxes due to the Korean war and unsettled world conditions.

Liberty of the Gospel

The teaching of and about Jesus Christ, so widely known throughout the world and yet so little understood by so many people, are essentially teachings of freedom and liberty. The Christian faith calls for no self-abasement and bodily torture as do many of the pagan and primitive teachings of other religions. The Gospel of Christ is a Gospel of Love, that leaves the individual free to accept or reject it.

This freedom, therefore, is a cherished liberty. The Christian is bound to his Master only by the "chords of love." Compulsion implies hate; imprisonment and enslavement mean resentment.

The follower of Jesus Christ, whether he or she has devoted her whole working life to the Gospel or is simply a devotee in secular employment, is held by the bonds of free will.

Perhaps that is why the Communist world has seen fit to throw out personal liberty and Christian teachings at the same time. The two don't go together.

Note and Comment

There is much to be learned from a reading of history but who reads it?

Bulletin Bows Out

BY T. W. FUE

According to the Saturday, January 20th issue of the Edmonton Bulletin, business in the newspaper line is so good the old paper can't stay in business. With two high-speed presses, each capable of turning out a daily newspaper, the management finds themselves short of equipment. With greatly increased revenue in advertising and circulation, they find it impossible to carry on, and to the 70-year-old paper is "folded", out of business. There are 179 employees affected by the sudden change.

Never too reasonable, and often illogical in their thinking, this last announcement by the editors of the Bulletin is downright unbelievable to the average person. I think, though that there is a logical explanation.

The Edmonton Journal is immediately taking over the circulation of the Bulletin. Is this a sell-out to the Southern interests, to enable the Journal to dominate the Edmonton daily newspaper field?

Although the announcement of this had not been made up to the end of last week, don't be surprised if the Journal now takes possession of the equipment and stock-in-trade of the Bulletin to positively eliminate all competition.

Being publishers of the only daily newspaper in an area so huge as Northern Alberta, and in a city of 160,000 population poses a tremendous issue in discussion of public affairs. Henceforth there is no daily newspaper to conduct the Southern paper. It is therefore up to the weekly press, to keep alive and awake to public issues.

Although I've always considered the Southern Press fair and reasonable in their editorial columns, the editors are still human, and we accept the challenge presented to us of voicing the "other side" of questions where such ringing in the press is warranted.

THE SWAMP FIRES

I was in Newbrook and Waskatenau last September when the swamp fires made the old-fashioned forest fire look like a burnt out match. The Alberta sun was blotted out by smoke. Even in Michigan, Alberta smoke was causing the sun to cast a weird light over the Midwest area.

At Pontiac, Michigan, a reporter, trying to catch up on his work, sat in an empty newspaper office that Sunday afternoon. Phone calls from residents seeking details on the eerie phenomenon kept interrupting him.

Growing more and more irritated, the reporter grabbed the receiver of a jingling phone. A woman inquired:

"What's happening? Is the world coming to an end?"

"I don't know, lady," barked the reporter. "The religious editor isn't here today!"

GIRL FRIEND

I must confide with my readers details of a very beautiful friendship I have nurtured with a member of the opposite sex. She's a pretty little cutie, good looking and a good talker. She likes to go driving with me, and when she's around there's never a dull moment.

Now, the fact I have a definite attachment for this young lady is no reflection on Mrs. Fue's qualities as a wife and mother. I wouldn't be so brash as to utter: "I love my wife—but oh you kid!" And Judy wouldn't expect it of me. She's quite happy to have me call around just occasionally, whenever I'm in Smoky Lake.

Her parents, Mr. and Mrs. Romanchuk, aren't really worried about Judy's future. But I'll bet the boys will go crazy over her when she's sweet sixteen! That'll be in 1962.

By the way—Mrs. Romanchuk does an excellent job of editing the Smoky Lake Gazette, in addition to a full time teaching job at the new, modern public school in Smoky Lake. Mr. Romanchuk is district superintendent of Canadian Oil in Northern Alberta.

FOUR MEN ON A TRAIN

Last Tuesday morning the train from Smoky Lake to Edmonton was packed. Children from rural Alberta were returning to the Edmonton Industrial Indian School. A fiddle and a guitar mingled with happy voices in song, made the railroad coach a happy place. The friendly group of Indian children marched on candies and other treats, freely exchanging and swapping with each other.

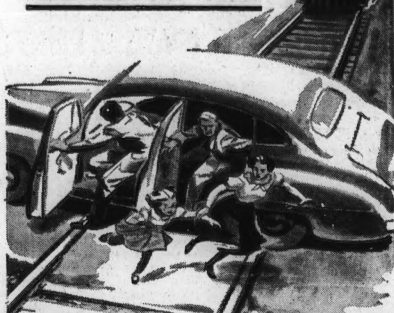

Four men on the train were enjoying the contents of a bottle, passing from one to the other.

Three of these men made frequent trips to the back of the coach, stealing furtive glances at the rear entrance. As the train approached the Edmonton depot they became apprehensive. Were they expected? Would somebody be there to meet them?

Someone was there to greet them. Three uniformed R.C.M.P. officers boarded the car as it ground to a stop opposite the depot. They allowed everyone to leave except the three drinkers.

It seems there was the little matter of a bank robbery earlier up the line at Bonnyville.

DON'T LET THIS HAPPEN TO YOU!

Change gears before crossing

This motoring family was lucky enough to escape death, but the family sedan is headed for the scrap heap. Stalling in the path of oncoming trains will cause many serious accidents this year. Take crossings slowly, after a full stop, and change gears before crossing.

Voice of the People

"VOX POPULI, VOX DEI"

Forget God?

Dear Sir—I must write a piece to be printed in the Voice of the People. But first I want to say how much it means to have a man for the editor who believes in Jesus Christ our Saviour.

Too many people have forgotten God and that is why it is in the state it is in today. Print this to your own good knowledge and let us have some more Godly articles.

MRS. E. CADIEUX.

Lac la Biche.

Word of God

Dear Sir—Congratulations on a splendid little paper.

I'm afraid Mr. Nixon of Forestburg is rather unreliable as far as quoting scripture, and can scarcely be regarded as an authority.

I think Mr. Nixon had better look to the word of God in the future rather than depend upon some weak-kneed pharisees who will be cast into the darkness along with the hypocrites, unless he mends his ways.

JOHN RITCHIE.

Cherhill.

He Likes Us

Dear Sir—Congratulations on your paper. It is a wonderful week-ly.

Red Cross Hospital to Serve Alberta's Crippled Children

A dream in brick and concrete, tile and glass will come true March 3 when the new Alberta Red Cross Crippled Children's hospital in Calgary formally opens its doors to Alberta's crippled children.

For 12 years, ever since the present hospital was found to be too small, the men and women of Alberta have envisioned an adequate hospital for their crippled youngsters. The new red brick building standing on the highest hilltop in Calgary is the result of their work and courage, for they have given nearly one million dollars to its construction.

In modern style, and employing all the modern tricks of capturing the most air and sunlight, the new four-floor hospital is shaped like an enormous "V" with wide-spread and welcoming arms.

It is built on land donated tax free by the City of Calgary, which has been home of the Red Cross work for crippled children since 1922.

This spring the grounds will be landscaped and seeded, to give the children even more beautiful surroundings.

The new hospital will officially accommodate 119 patients, with room for 30 more in emergency. Medical treatment is given for club foot, tubercular bone conditions, osteomyelitis, convalescence and deformities from infantile paralysis, congenital dislocation of the hip, malunited fractures and contractions following burns, sarcoma, coeliac disease, spinal curvatures, spastic haemiplegia and spina bifida.

SPECIAL CLINICS

Children from all over Alberta, the Northwest Territories and Peace River Block, whose parents cannot afford prolonged orthopaedic care, are welcome to the hospital. For those who do not need hospitalization, there is the Out-Patients' Clinic where parents are instructed to care for the child, and where needed braces and splints are fitted. More than 7,000 children have been treated so far at the hospital.

Every angle has been considered in the inside equipping and decorating of the hospital. Pastel walls and acoustic-tile ceilings take the place of the old-time "hospital white." The wards are furnished for the convenience and comfort of both patients and nurses; the school rooms are equipped for comfortable study; the handicraft rooms and the gym-

ALTA. ON GUARD AGAINST 'FLU

Alberta is being guarded against an outbreak here of England's influenza epidemic and there is little danger of it reaching here unless by direct contact, Dr. Norman Baster, Director of communicable diseases, stated Monday.

He stated that an arrangement has been made through which types of influenza discovered in Alberta can be identified and compared with the type striking sections of England.

Dr. Baster said there is no evidence that the present wave of influenza is related to the epidemic that swept the world in 1918. Most health authorities attribute the heavy death toll in the current English outbreak to after-effects mainly bronchial pneumonia which has been striking elderly persons.

The communicable diseases director for the province offered simple advice to Albertans desiring to guard against colds and influenza.

Saying that there was no grounds for worrying about a wave of influenza here, he advised citizens to avoid becoming overtired, to avoid crowds, to stay home in bed when colds strike, and to consult doctors when necessary.

nasium are based on functional design.

From the modern kitchens on the ground floor to the sterile and completely equipped operating rooms on the second floor and the open solarium on the roof, the New Alberta Red Cross Crippled Children's Hospital is indeed a "dream" hospital.

Visitors who wish to tour the new structure are welcome at all times for it is Alberta's hospital with one object in mind, to make the "lame to walk" among Alberta's children.

NEW ALBERTA Red Cross Crippled Children's hospital is a masterpiece in modern engineering and design. Hospital is costing about \$1,500,000. View above shows ambulance entrance, solarium, and laundry at extreme right. Sun rooms are at extreme left.

FUA To Discuss Fate Of Two 'Red' Directors

The strife-torn Farmers' Union of Alberta will soon know the fate of two union executives branded as "Communist".

Executive of the FUA will meet at the end of this month to discuss expulsion of F. E. Maricle, Hamlin, and Ray Garneau, Wainwright, who have been asked to resign because of pro-communist attitudes.

They have both refused to resign.

Maricle recently attended the World Peace Congress in Warsaw. At the time, directors said they deplored the spectacle of an FUA executive "lending himself and his talents to a Communist-inspired, so-called peace congress."

Maricle spoke in Edmonton recently at a public meeting sponsored by the Edmonton Peace Council.

Maricle said the failure of Canada to recognize the Communist regime in China is acting as a barrier to World Peace and spoke of highlights of the World Peace Congress and its discussion of the problems in Germany and Korea.

Many of the audience signed petitions following the meeting, asking that Canada give official recognition to the Chinese Communist government.

The petitions will be mailed to Prime Minister Louis St. Laurent, the petitioners said.

Right to vote in Canada's federal elections is conferred on all British subjects 21 years of age or older who have resided in Canada for 12 months prior to polling day.

Rose Sander Weds
Lorne J. Stinn
In Beiseker Bridal

BEISEKER — On Tuesday, Jan. 16th a very pretty wedding took place at St. Mary's Church, Beiseker, when Rose Angelina, daughter of Mr. and Mrs. Anton Sander, Beiseker, became the bride of Lorne Joseph Stinn, Rockyford. Rev. A. Tennant officiated at the marriage ceremony and celebrated the nuptial mass. Very Rev. J. Q. Killen was present in the sanctuary. Two altar boys, Allan and Owen Muenchrath, were the bridegroom's little nephews, Mattie Schmalz, the bride's cousin and Jack Bettin. Mrs. Lou Brosteaux played the wedding march, and accompanied the senior choir during the mass.

The bride, given in marriage by

WANTED, MISC.

WANTED — Reliable hustler to supply Rawleigh Products to farm families in nearby Barrhead. Information given without obligation. Write Rawleigh's, Dept. WG-L-54-734, Winnipeg. 234-XK

WANTED — Reliable hustler to supply Rawleigh Products to farm families in nearby Camrose. Information given without obligation. Write Rawleigh's, Dept. WG-L-72-734, Winnipeg.

MENTI — With Business Booming, this is a good time to get established in a Rawleigh Business. No experience needed. Write Rawleigh's, Dept. WG-K-69-294 Winnipeg.

WANTED — Single girl, book-keeping and some typing. Apply own handwriting, state age and salary expectations. Write to Super Place, Apply Box 18, 10815 Whyte Ave., Edmonton. C. J. 24

her father, was lovely in a floor-length gown of white satin, full flowing skirt, net inset yoke trimmed with beads and long lily-point sleeves. Her long veil was held in place by a wreath worn halo effect. Her corsage was of red roses.

She was attended by the bridegroom's cousin, Lorne Stinn and the bride's cousin, Angela Schmalz. Lorne chose a pale blue net gown over taffeta, pale blue bridesmaid's bonnet and her corsage was of yellow roses; Angela wore a pink satin gown with matching bridesmaid's bonnet and her corsage was of yellow roses.

The bridegroom was attended by Anselm Sander and Charles Stinn. Ushers were Mr. L. L. Schmalz and Mr. Harvey Katterhagen.

Following the ceremony a wedding breakfast was held in the Memorial hall for the bridal couple and their attendants. Later in the day a wedding dinner was held for 75 close relatives and friends. A beautiful 3-tier wedding cake centered the bride's table. Rev. A. E. Tennant proposed the toast to the bride. A wedding dance was held in the evening.

After a short honeymoon Mr. and Mrs. Lorne Stinn will reside in Rockyford.

Beiseker Couple
Honored On
Anniversary

BEISEKER — On Thursday evening, Jan. 18th, a large number of friends and relatives of Mr. and Mrs. Mike Ternes gathered at their home to celebrate their silver wedding anniversary.

A very enjoyable evening was spent with the highlight being a mock wedding ceremony. The charming bride was Mr. Pete Schmalz and bridegroom Mrs. Alvin Reifmeyer with Rev. Hanlon reading the marriage vows, and Tony Hagel, a witness to the serious ceremony. Wedding music was rendered by Johnny Miller.

After a delicious lunch Mr. and Mrs. Ternes were presented with a lovely silver electric coffee percolator.

Guests present were: Mr. and Mrs. Herman Miller, Mr. and Mrs. George Pfeiffer, Mr. and Mrs. Carl B. Schmalz, Mr. and Mrs. L. L. Schmalz, Mr. and Mrs. Jack Selander, Mrs. Peter Schmalz, Mr. and Mrs. Mrs. Oswald Ternes, Mr. Zier, Mr. and Mrs. Frank Seizler, Mrs. Balster Silbernagel, Johnny Miller, Tony Hagel, E. B. Hanlon, Mr. and Mrs. A. Ritcher, Frank J. Hagel, Mr. and Mrs. Alvin Reifmeyer and Mrs. Steve Silbernagel.

carnival. She is a grade five student at the school.

Named "ladies in waiting" were Elizabeth Plat, grade six, and Susan Drydale, grade three.

The carnival included a floor show, midway, circus costumes and truckwaggon races, all presented by students at the school.

LETTER TO LOUISA

Mother Objects to Daughter Going Out With Boy Friend

DEAR LOUISA — I am a girl of 18, and my mother disagrees with me going out with the boy I'm going with.

We have been going together since last June. I hate leaving him as I have no reason. We like each other a lot, but mother has always tried to break us up.

What shall I do? Should I listen to her objections, or should I keep on going around with him?

Is it up to a mother to pick a boy friend for her daughter?

PUZZLED.

Answer:
No, "Puzzled," I certainly wouldn't say that it is up to a mother to select her daughter's boy friend. But your mother might have very sensible reasons for objecting to this particular boy.

It is difficult to give you practical advice when I do not know your boy friend. Perhaps your mother is unjustified in her objections, but she may have very good reasons for all I know.

One thing is definite—your mother undoubtedly has your best interests at heart—and in objecting to your boy friend she must feel you will be better off without him.

My advice to you would be to try and find out exactly why she objects to this young man. If you can do that, your problem may be a whole lot less puzzling. Once you find out her real reasons, you will have to decide for

yourself whether she is justified in her objections, and then act accordingly.

LOUISA.

Question:
I was engaged to a young man for over a year. Having broken up over another man should I return his diamond ring and other expensive presents?

WORRIED.

Answer:
Yes, his ring should be returned to him... the ring is the symbol of an agreement to marry. An offer to return any large or expensive gift is also the accepted thing to do.

SOUND EFFECTS can be so real they hurt! In a play
titled All Quiet on the Western Front, CBC sound techni-
cians David Tasker and Ed Vincent found that to get
the sound of soldiers crawling about on stones and gravel
they had to do just that. Here they're getting well bruised
at rehearsal.

Prosperous Times Foreseen In Alberta During Year

Industrial expansion may set new records in Alberta
during 1951, according to government experts who foresee
widespread development of natural resources during the year.

Oil, agriculture, lumbering, and
manufacturing face bright pros-
pects for the future.

Agriculture will receive a tre-
mendous boost throughout the
southern portion of the province
with the completion of a vast ir-
rigation scheme now underway.

The boost to agriculture will
stimulate the whole economy of
Alberta.

In the central Alberta, oil de-
velopment is continuing apace.

In the far north of the province,
development of the huge oil sands
deposits around McMurray may
actually get underway by the end
of the year.

The lumbering industry will al-
so make major contributions to
Alberta's prosperity. One new
project now being launched is a
\$13,000,000 pulp and paper mill
outside Edmonton.

A new kind of industry may
become established here this year
if plans of Swedish industrialists
to launch a manufacturing plant

to make a new type of building
wood, 'Stramit,' materialize.

All in all, a prosperous and
progressive year is expected in
the Foothills province.

VARIED MATTERS DISCUSSED AT BEISEKER BOARD OF TRADE MEET

BEISEKER—The annual meeting of the Beiseker and district Board of Trade was held in the Memorial Hall Monday evening, January 15th, with about thirty members present.

Secretary - Treasurer Ken Wright, presented the financial statement showing 85 members for 1950 and a balance on hand of \$53.39.

Good discussions were held on several subjects, the most interesting being the sponsoring of a junior club for this district and taking of some action to get a local exchange established by the Alberta Government Telephones in Beiseker. It was also decided that the Board of Trade would sponsor an agricultural short course to be held here sometime in February.

The following were elected as the executive for 1951:

Frank J. Schmalitz, president; W. Rempel, vice-president; K. A. Wright, secretary-treasurer; John Leiske, trustee, 2 years; Matt Schmalitz, trustee, 2 years; Roy Berthel, trustee, 1 year; Peter Ternes, trustee, 1 year; The executive appointed the following committees: Membership, Felix Hugel, H. T. Simmonds, W. J. Laviole; Junior Club Work, Matt Schmalitz, Ken Wright; Telephone Exchange Committee, J. H. Schmalitz, W. Rempel, Peter Schmalitz.

The members felt that more frequent meetings should be held and the executive agreed to arrange more meetings for the coming year.

Bride-to-be Is Feted at Shower

BEISEKER—Miss Vera Schmalitz entertained Sunday evening, January 21st in the Memorial hall in honor of Miss Marie Schwartzburger, daughter of Mr. and Mrs. Ed Schwartzburger, whose marriage to Mr. Vernon Schmalitz, son of Mr. and Mrs. Val Schmalitz will take place Thursday, January 25th.

An enjoyable evening was spent playing whist with Mrs. Tony Schwenger and Miss Katherine Schleppe winning the honors. After a delicious lunch Mrs. Lou Brosteaux on behalf of the guests presented the bride-elect with a table setting for eight in dinnerware, glassware and flatware.

Robert Taylor is starring in "Pioneer Woman," a romantic yarn about a hard-bitten, woman-hating Indian scout, who guides a group of women across the prairies during the gold-rush days. It's to be in Technicolor.

Home Economist Congratulates Girls' Garden Club

Mrs. Laut, leader, Crossfield Girls' Garden club, Crossfield, Alta.

Dear Mrs. Laut—I would like to congratulate the Crossfield Girls' Garden club, their leader and assistant leaders, on being chosen the top garden club for the Calgary district for 1950.

In previous years a token in recognition of this achievement was forwarded by the Alberta Wheat Pool to each of the members concerned. By arrangement with Miss Fraser and with the approval of the Department of Agriculture, a change in the type of recognition given to these top clubs in each Home Economists territory has been decided upon this year.

Under separate cover a copy of "The New Garden Encyclopedia" by E. L. D. Seymour is being sent to the Crossfield club with the compliments of the Alberta Wheat Pool for winning the distinction of being the best garden club in the Calgary district.

Mr. R. D. Purdy, manager of the Alberta Wheat Pool, has asked me to forward this booklet. I would appreciate the club writing to him and acknowledging it.

I would also like to mention that, along with this arrangement is included the policy that in event of the particular club at any time being discontinued that this book be returned to the office of the District Home Economist for general use of other Garden clubs in her territory.

At this time I would extend the best wishes of the season to all the members of the Garden club and to yourself. I shall look forward to visiting your club again this coming spring.

Yours truly,
Priscilla A. Mewha.
District Home Economist,
Calgary.

LEVEL LAND TOPICS

Marilyn Stern of Level Land is a queen candidate for the Beiseker Lions' sixth annual carnival. The Level Land band had a party after band practice last Monday night; sandwiches, ice cream and cake was served. Ines York was in charge of the games that were played and all had a good time, but just before the party ended Mrs. York was surprised to discover the party was for her and not for Mr. Holling. Her first words were, "My—I had to prepare games for my own party—" but the biggest surprise was Marvin Dick on behalf of the band presented her with a lovely and vanily stool. It was Sam Leiske's lot to take Mr. Holling back to Calgary.

Della Huether was visiting her home here over the weekend. Other weekend visitors were Lois Fuller, Gordon Swengle, and Harvey Lamming of Canadian Union College.

Saturday night, educational films were given shown in the S. D.

MADDEN MURMERS

The dance held on Friday last in the Madden hall was well attended and the proceeds were put by for the purpose of installing lights. A general canvass has

A. hall. One of the films was the Red Cross Water Safety film. All enjoyed the pictures.

On Saturday night, just before the films were shown, a few of the Dorcas ladies were at the church preparing wool for the quilt being made for the Red Cross. It will be sewn sometime this week.

Mrs. Henry Stern and Mr. Sam Huether were busy this week taking listings for articles being made in this district to be sold at the sale on Jan. 31 for the Junior Red Cross. The list looks pretty good and it is estimated that well over \$500 will be taken in.

Peggy Huether and Harvey Bechtold were home for the weekend.

VALUES HAVE GONE UP

Because the value has gone up on property, a fire today might mean a great financial loss to you if you are not fully insured.

For adequate protection, see us about an adjustment in your fire insurance policy in view of today's increased values and prices.
